LAB Re-Pinning Tools

LABMAT - Workbench Pinning Mat

- Use on workbenches or adhered and used in mobile vans.
- Will capture and retain several hundred pins and prevent them from being spilled onto the floor.
- Pin Block for keying cylinders has been molded into the lower left. This feature will help organize keying and prevent mixing of pins and parts.
- Dimensions are 15-3/4" x 9-7/8" x 1/4".
