

## Norton Announces 5600 Hands-Free Kits with Electric Strikes

Looking for a simple and effective way to create a completely touchless restroom?

Just wave your hand! The NORTON 5600 Series Hands-Free Kits combine a wave-to-open switch with the 5600 power operator to open the door and provide a 'clean' exit without touching hardware. When used with automatic toilets, soap dispensers, sinks and dryers, the 5600 Hands-Free Kits provide the final piece of the puzzle for a touchless, germ free bathroom experience.

The Norton 5600 Series Hands-Free Kits feature the 5600 Low Energy Operator with a wave-to-open wall switch that can be ordered alone or with an electric strike for openings using cylindrical or mortise locks.

### How To Order

Model	Description	Kits Include
5610K1-SC	Hands-Free Kit with Electric Strike for Cylindrical Locks	5610 operator with onboard power supply, (1) 697 switch and (1) HES 5000C strike
5610K1-SM	Hands-Free Kit with Electric Strike for Mortise Locks	5610 operator with onboard power supply, (1) 697 switch and (1) HES 1006CLB strike

In addition, remember that Norton also offers a kit supplying the 5600 Series power operator with the 697 wave-to-open wall switch released earlier this year.

Model	Description	Kit Includes
5610K1	Hands-Free Kit	5610 operator with onboard power supply and (1) 697 switch

Please distribute this bulletin to everyone in your distributorship who specifies and/or purchases Norton door closers. Insert this announcement in the Norton section of your Door Controls full line catalog.
